

# Material Safety Data Sheet

## NEMASYS G

This product is not considered dangerous and therefore does not require a Material Safety Data Sheet.  
The information provided on this sheet is for information only.

### 1. Product Identification

Product name: Nemasys G  
Active component: *Heterorhabditis megidis*  
Synonyms (if any): None  
Manufacturer: Becker Underwood  
Unit 1  
Harwood Industrial Estate  
Littlehampton  
West Sussex  
TEL: 01903 732323  
FAX: 01903 732266

### 2. Composition & Information on Ingredients

Active ingredients: 33 % *Heterorhabditis megidis* paste  
Inert ingredients: 67 % Vermiculite

### 3. Hazards Identification

Primary routes of entry: Eyes, oral.  
Medical conditions aggravated by exposure: None known.  
Skin Contact: None known.  
Eye contact: May cause mild irritation.  
Ingestion: Virtually harmless.  
Inhalation: None known.

### 4. First Aid Measures

Skin Contact: Rinse with water.  
Eye contact: Rinse well with appropriate eye wash.  
Ingestion: None required.  
Inhalation: Not applicable.

### 5. Fire Fighting Measures

Data unknown. In most circumstances considered non-flammable.

### 6. Accidental Release Measures

Material is non-hazardous and may be clean up using standard equipment.

### 7. Handling & Storage

Handling: No special equipment required.

Storage: Store at 5<sup>0</sup>C/40<sup>0</sup>F. Do not freeze. Keep out of sunlight.

## 8. Exposure Controls / Personal Protection

Exposure limit: Not applicable.  
Respiratory: None required during normal use.  
Eye Protection: Wear eye shields if contamination likely.  
Skin Protection: None required during normal use.  
Hand Protection: None required during normal use.  
Hygiene Measures: Wash hands before consuming food and drink.

## 9. Physical Properties

Light brown, moist powder.

## 10. Stability and Reactivity

Chemical stability: Stable.  
Incompatibility: Active ingredient is a living organism. Do not expose to heat or excessive cold or sunlight. Only mix with water. Avoid pesticides and biocides.  
Hazardous Decomposition Products: Thermal decomposition may yield carbon dioxide, ammonia and/or nitrogen oxides.  
Hazardous polymerisation: Will not occur.

## 11. Toxicological Information

No information available.

## 12. Ecological Information

No information available.

## 13. Disposal Considerations

Waste: No special method required. Dispose in accordance to relevant regulations.  
Spillages: No special method required. Dispose in accordance to relevant regulations.

## 14. Transport Information

No hazards.

## 15. Regulatory Information

Not available.

## 16. Other Information

Nil.

The above information is based upon the state of our knowledge of the product and the information supplied by component manufacturers at the time of writing. No warranty is implied with respect to the quality of the product. The user should satisfy themselves that the product is suitable for the intended use. Becker Underwood accept no responsibility for any loss or injury arising from the use of this information or from the customer's storage, handling and application of the product.
